Dear Jim,

Following our conversation on Wednesday October 25th regarding our P.C.A., I am enclosing the recommendations from St. Mary's Jamesville and Holy Cross.

You will note that one involves keeping St. Mary's open and Solace closing and St. Theresa's going with S.U.. The latter may be impossible but we should probably look at Solace becoming a Community Center as one possibility and St. Mary's having one Saturday Mass if there are two priests.

Assuring you of my continued personal and prayerful support always, I am

Fraternally yours,

Reverend J. Robert Yeazel
Pastor
