To Whom It May Concern:

In the 2006-07 school year, the student population at Jamesville Elementary is 339 students with 17 classes (sections) in grades K-4.

In 2007-08 we anticipate a population of approximately 350 students with 18 sections, including an additional section of Kindergarten.

We anticipate continued growth at the elementary school due to the large number of housing developments and a 110 unit apartment complex still under construction.

Sincerely,

Jeffrey Gordon
Principal
